A dress watch that'll take you to the top.

- Calibre:8F56 pertetual Calendar
- 24hr hand (red)
- Case:Solid Titanium
- Band:Solid Titanium
- Sapphier glass
- inner compass ring with separate crown
- 100M water resist
- case diamater:38mm
- thickness:11mm

There's not much to dislike about this watch:

The black face version (SBCJ019) looks so very sharp, but after a few black face watches, i thought something different was called for. So I picked up the all luminova face model:

The gold markers were a drawback for me, as I wear no gold, but thought I'd take the plunge - glad I did, it's a striking watch that wears as good as it looks.

The "throwback" nature of the watch is also interesting:
